

WELCOME TO THE TOOLBOX

a loss control resource for members

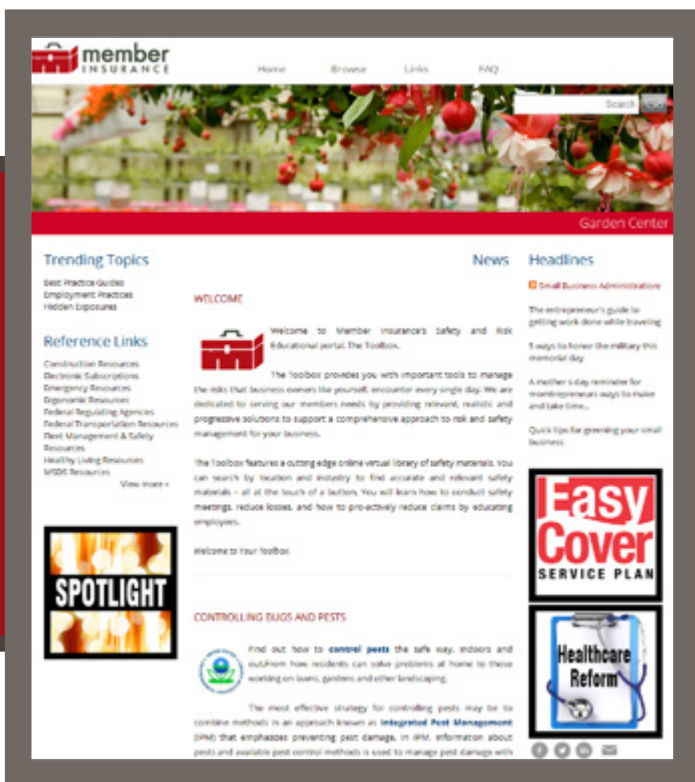

Compliments of  member INSURANCE

At Member Insurance Agency, we understand the unique challenges you face as a business owner in today's marketplace. To help make your job easier and protect you from the unexpected, we are pleased to offer you FREE, unlimited access to **The Toolbox**.

The Toolbox features a cutting edge online virtual library of over 300 industry-specific loss control resources. You can search by location and industry to find accurate and relevant safety materials – all at the touch of a button.

In addition to **The Toolbox**, Member Insurance offers policyholders up to 3 FREE hours of risk management consultations for loss control, lawsuit avoidance, customer relations, policies and procedures, and premises issues. With every Employment Practices Liability policy, policyholders receive FREE human resources consultations. To learn more, contact Member Insurance Agency at 800.609.8546 or marketing@memberinsurance.com.

Access hundreds of industry-specific loss control resources... for FREE!
